### **City Attorney Settles Scanner Allegations with Macy's**

**San Diego, CA:** The City Attorney of San Diego announced that a \$1.2 million civil settlement has been reached with Macy's West, Inc. According to Deputy City Attorney Steven Gold, the settlement resolves allegations that certain price accuracy issues have occurred in Macy's stores located in California over the past three years. The City of San Diego will be awarded \$240,000 in penalties. The settlement was a joint civil action led by the District Attorneys of Los Angeles, Marin, Shasta and Sonoma counties.
